

ST. ANSELM

Proclaiming Christ in Hayes

Building work

Our new sound system is almost ready to be installed, a new webcam is going live and the church hall will soon be with us.

We've made huge progress over the last couple of weeks with the building, sound and vision projects at St. Anselm.

At last weeks PCC we approved a new plan (available for you to see at the back of the church) for the new church hall space in the old Our Lady of Walsingham Chapel. This new plan includes a full kitchen and an additional fire escape. This means we'll be able to increase the capacity for concerts and the like in the main body of the church and will also give us a facility that will be easier to rent out.

The new design does need to go to the Diocese to be approved (as we are now a listed building) which means we'll be looking at completion of the project towards the end of February 2021, with work starting this side of Christmas.

Our new webcam has also been delivered and will be installed - alongside the new sound system - in the last week of September. We're hopeful this means that we'll be live-streaming our services from the second week of October.

All of this work is happening for one reason - to improve our ability to proclaim the gospel of Jesus Christ in Hayes. With this in mind I wonder

what part in this mission you will play? Will you join the PCC at the APCM next month (11th October)? Volunteer for the new Sunday School (launching in the new year)? Offer to be our Children's Officer, or to sit in church for a few hours so we can leave it open on Saturdays? There are so many ways God calls us to proclaim His Son's message... what way is he calling YOU?

Prayer focus

The new plans for the church hall are heading to the DAC for approval in the coming week or so. Please pray they are signed off.

Worship focus

If you've never made your confession and would like to explore what that means - please speak to Fr. Matthew.

Notices

New plans are now available for you to take a look at for the refurbishment of the Our Lady of Walsingham Chapel into a new church hall. As the building is now listed a new application needs to be put to the DAC - we've taken advantage of that to add a proper kitchen to the design. Although this has delayed us slightly, we are still aiming to have the new hall ready for late Feb 2021 with working starting this side of Christmas.

Have you set up Parish Giving yet? It's the easiest and most tax-efficient way to give to St. Anselm. Call them on 0333 002 1271 with our Parish Code (230 623 503) and have your bank details to hand - it takes just 10 mins.
