Lenten

Sacrifice

Lenten Sacrifice is when we decide to give up something we love eating or doing. When we give up those things, we can save a few coins that we then give to the less privileged. In the community, many people find it challenging to get standard well-being kinds of stuff like clothing to keep themselves warm and even food to eat. We are encouraged to give alms and support the less privileged during Lent. Our Lenten sacrifices will help us save some coins, and we must give these out to support others. What is little for you is many for someone; nothing to you is something to a brother or

sister, and what is old is new for the other.

God first demonstrated giving by giving unto us His only begotten Son so that we will receive salvation. We must support others not only when we feel comfortable but whenever the opportunity arises because through giving, we receive the blessings of God.

Luke 6:38 says, *“Give, and it will be given to you. A good measure, pressed down, shaken together, running over, will be put into your lap; for the measure you give will be the measure you get back.”* Every child of God must be able to give freely to support others because giving is a virtue.

It is the will of God that we give, and whenever we give, we become more prosperous. *“Whoever brings blessing will be enriched, and one who waters will himself be watered.”* (Proverbs 11:25). During this lent, let us make our Lenten Sacrifices a blessing to others because whenever we bless others, we bless ourselves.
